» EMPLOYMENT

July 2013 – January 2014

Quality Assurance Engineer

GateMedia SA (www.gatemedia.ch)

My role is to manage the *website, mobile* and *embedded apps quality* and assuring a *smooth user experience* through both *manual* and *automated testing* of the entire site/app and its features.

I was using *Ruby on Rails* and *Capybara* on *Ember.js* apps.

I also worked with *Agile/SCRUM methods*.

Worked on OSX and planned tests on various OS/browsers ...

June 2011 – June 2013

Quality Assurance Engineer

OFFICIAL.FM (www.official.fm)

I was responsible for the development of *test plans* and *test cases* as well as programming automatic tests using *Selenium, scripts* etc...

I worked with *Agile/SCRUM methods*, and I love them.

I was also *helping support* team.

Worked on OSX and planned tests on various OS/browsers ...

October 2009 – November 2010

Web Administrator / Developer / Photograph

Groupe AGSKO (www.groupeagsko.com)

I was responsible for the *web development, website maintenance* and *customer training* and *user support*.

I've made users documentation and manual.

I was responsible for the distant *dedicated server administration*.

I managed a *photo studio*.

Worked on Windows, Debian and OSX.
